Scoring Inquiry:

According to rule 32.2 (a) & (b) the shortened finish line should be;

(b) a line the course requires boats to cross.

Therefore the boat with flag S should have been on the right side of the bottom mark and not on the left or if it is on the left you should round the mark before crossing the line. I did the last as you can see on the tracker.

Also the the flag S was not on a staff but held to the side by a person!

Several errors made.
