Competitor: ORC (LOA \geq 30') - A - USA 46056 - Halawa - Kimo Winterbottom

Scoring Inquiry:

Dear Race Committee: On the last leg of the last race in the 2025 Big Boat Series, that the Race Committee had changed the ORC wind rating factor from "Medium" to "Medium High" adversely impacting our adjusted time and finishing position. According to data available the wind speeds at Golden Gate Bridge went down on Sunday (not up) relative to Saturday. Please see the attached charts. We respectfully request that the Race Committee share their wind data that was used to determine that this change was necessary, as I would like to explain to my crew the rationale behind the change as we have reason to believe that this was the difference between 2nd and 3rd in the regatta. Thank you, Kimo
