Scoring Inquiry:

In the second round (R8) of today's Wingfoil Open division, I hit some seaweed at the start and crashed, which cost me some time and left me behind rider #101 at the Windward Mark. But on the downwind leg I easily passed #101 and pulled far ahead, finishing this round in first place. Rider #56 abandoned the race after crashing and stayed near the finish line watching the whole time, so he can testify for me. The second-place rider, #101, also crossed the line behind me and can confirm that I finished first.

Witnesses:

Rider #56 abandoned the race after crashing and stayed near the finish line watching the whole time, so he can testify for me.

Response:

Rc to check.

Please come to the Race office after the skipper meeting tomorrow (20th,Sep).
