Scoring Inquiry:

The GPS track clearly shows that there are several boats level with or higher than me at all periods in the final 20 seconds of the start. And yet I was scored BFD and only one other boat was. With 8 higher boats not beint scored over serveral of which in clear view of committie. If they are not scored over it is impossinle that I was overthe line. A coach videod the start and it shows other boats trigger pulling before me, being bow forward of me who are not scored over. Therefore I believe I was not over the line.

Response:

Your sail number 5882 was called and recorded as OCS by both recorders shortly before the start. It is worth noting that your enquiry says you are sailing an ILCA 6 221490.
