Scoring Inquiry

Race Date: 2025-10-15

Request No.: 07

Course: Race course out

Race No.: 1

Posted Score: UFD

Competitor: D - 1011 - Stuart Gilbert

Scoring Inquiry:

I didn't have a fair protest hearing as the pin end boat person was not available to ask questions and I have requested frequently to see the video from the start boat
I spoke to Amelos today after the slalom and he told me that he recorded me in the middle of the line when I was second boat at pin and did not have any resources for a video but was videoing the slalom
This is a world championship

Response:

It Is not up to the Race Committee to judge about fairness of protests. A request to re-open a protest can be filled but will only be accepted by the jury if new evidence is available that was not available on the moment of the original protest.
The Race Committee does not find a scoring inquiry in your description and closes this enquiry.
