Scoring Inquiry:

I would like to see the footage of me being over at the start line as I am confident that I am not over the line because the boat beside me which was in front by 2 boat lengths was not recorded as bfd the sail number of that boat is sgp4073 and my sail number is sgp 3006

Witnesses:

Sgp 4073

Response:

Corrected Score: No change

RC evidence show that your boat is over the starting line.
