Scoring Inquiry:

Request for Redress We sailed in race 1 in the Yellow fleet because, on the fleet page of our group, the title "Yellow Fleet" was shown. No other fleet was indicated on that page. Before race 2, our coach received a WhatsApp message from the organization informing us that we should sail in the Red fleet. We then joined the Red fleet for race 2. We therefore request redress for race 1, as we sailed in the wrong fleet based on the information provided on the official notice board. Normaly we finich around 30 place whit low wind.
