**Inquiry No: 01**

**Course: Yellow O2**

**Race No: 4**

**Posted Score: BFD**

**Protest Party: C420 - yellow - 8593 - Ellie Harned**

**Scoring Inquiry:**

At 10 seconds we were under the line with a boat ahead of us to leeward and ahead of us to windward so we trimmed in and starting sailing forward. At 5 seconds we hit a big wave and were very stalled, while the boat to windward and to leeward of us were sailing forward. At go 9050 was to windward and ahead of us and another boat was ahead of us to leeward and neither were black flagged. Because of these facts we would like the opportunity to review the starting notes, recordings and videos if any.

**Witnesses:**

9050

**Response Title:**

Corrected Score: none

The RC has reviewed our records from the pin start vessel and have determined that 8593 was properly identified as being inside the triangle during the last minute before her warning signal.

As discussed and agreed upon with the skipper of 8593, her two duplicate scoring inquiry requests have been deleted.

No change in score.
