### **Scoring Inquiry:**

Dear race committee,

On race 4 of today I was scored bfd but I am very confident, also looking at the tracking, that I was not at any moment during the last minute for the start, over the line. Also my number was not posted on the board.

Could you please recheck the race committee communication and tracker?

### **Response:**

After rechecking the records and taking a photograph of the BFD board displayed, we confirm the assigned BFD.
