Scoring Inquiry:

Yesterday evening, the ranking in the race 6 was 52, and in tonight's ranking he is listed as DNE. I cannot find any information explaining such a decision by the committee or the jury.

Could you please check whether the ranking is correct, and if so, explain why he is classified as DNE?

Thank you in advance.

Response:

Jury scored DNE.

The explanation is under OTW (on the water penalties).
