**Posted Score:** 8

**Competitor:** Formula Wing - Male - 32 - Gioele Incani - Gioele Incani

### Scoring Inquiry:

My finishing position has been recorded incorrectly (listed as 8 instead of 7,6), i'm not sure this is the correct result since in long-distance events the scoring works differently, but I was 23rd and I was placed 24th (which is why the 8 appears in the standings). So I think that 23 counts as 7.6.

### Response:

32 finished race LD3 in 24th place so is correctly scored 8 points.
