Scoring Inquiry:

In race number 1 I was on my way to the finish line as I had just rounded the last mark when I was approached by a safety boat and instructed to head to shore. I was forced to return to shore even though I was minutes away from finishing. If I had not been forced to do so I would have finished in 5th place behind 223440 and instead I have been scored 10 points with a DNC. Had I not returned to shore I would have finished as the conditions had calmed and I was managing fine.

Witnesses:

Response:

Corrected Score: 5

Score amended to 5th place as agreed with Race Officer.
