Scoring Inquiry:

[Hi there, I just noticed on the results for the first Thursday of DBSC that the results show that George 2 won the race. This could not be possible as 1720 lady A IRL 1793 was the lead boat on the racecourse and was the only one to complete the race? If George 2 had of finish, the race time would've expired for us to get a result, which was not the case.]
could you look into resolving this result.

Many Thanks

Response:

The finish sheet clearly shows the time as posted in the results, with J80 Sail No. 2 being the first Red fleet boat to finish. If you believe they sailed the wrong course, your course of action is 1) ask them to retire, or failing that 2) lodge a protest.
