### Scoring Inquiry:

I got scored as 15 in race 5 blue fleet. Fra 50 (Paul Labordare) crashed during the tack on second lap (upwind) and later joined the finishing group and passed as 14th person. Please check the tracking, his path is clearly visible where and when he crashed and that he didnt make it to the top mark. Its really unfair sportmanship to cheat like this. I passed the finish line after him but he should be disqualified from that race so on I should be scored 14.

My tracker was not working so im not on the meta sail replay, but there is a video on the finish line + i have record of this race. I have record of him crashing there as well.

### Witnesses:

camera recording + meta sail tracker
