Scoring Inquiry:

As per your email sent from events@cork.org on July 27th requesting registration updates, I sent a reply on July 27th indicating a sail number change from 191919 to 214099. The raw score sheets attest to my finishes today under the sail number 214099. On the results I was listed as DNC due to still being under the number 191919. I ask kindly that my number be updated. Thank you.

Witnesses:

Noah Collinson (coach boat #8) and the finish boat (according to the raw score sheets)
