Protest:

I, together with several coaches and other witnesses, believe that my score was incorrectly written down and published. I made sure to sail through the finish line located between the top mark and the finish boat. I finished in front of Marie Bastens and right behind Astrid Vandaele, so I think I was 21st place. When crossing the finish line I remember looking back to 3 boats about to finish, one of them being Marie Bastens. If Marie Bastens finished as the last of those 3 boats, it further proves me having finished as the 21st boat.

Witnesses:

Marie Bastens, BEL 9038, score: 24th place (Astrid Vandaele, BEL 10004, score: 20th place) Emile Marien (coach) Thibaud Dirix (coach)
