Scoring Inquiry:

Hi, it seems there has been a mistake in the results posted for race 7 on Tuesday 2nd June. Sam Wilkinson (203316) was OCS, not first, and was informed by Suzanne McGarry (RO) of that when crossing the finish line. However, he has been marked down as winning that race according to the results.

Witnesses:

Suzanne McGarry (RO)

Response:

Corrected Score: 203316 was OCS placing 212521 first.

Confirmed result with RO
