

2026 Ensis ENGADINWING Formula Wing Youth & WingFoil Open Masters World Championships

Scoring Inquiry

Race Date: 2026-06-24

Received: 2026-06-24 20:24 CEST

Request No.: 10

Course: LR2

Race No.: 12

Posted Score: UFD

Competitor: Formula Wing Youth Worlds - Male - 45 - PPC - Oscar Dempsey

Scoring Inquiry:

Having reviewed two videos taken from the start boat it clear I am not over the line. I have left it with the race officer but felt I should just do this to make the inquiry official. Also, the other UFD's I scored today have been scored 62 rather than the fleet size of 31. And on another note, the UFD flag was not flying on the committee boat. I have been told this is standard practice.

Witnesses:

Two videos from committee boat. One with the race officer and one with Media.

Response:

Corrected Score: 7

The Race Committee reviewed the videos of race Q8 Blue (= 12th race of the series) again, and decided that GBR 45 was not inside the triangle formed by the end of the starting line and mark 1. Therefore, GBR 45 is reinstated with her finishing position in that race.

The points for UFD, DNC, DNF scores will be changed changed to 32 (referring to the biggest fleet of the qualifying series, see RRS A5.2 as changed by NoR/SI Addendum 2, 1.1i); this is a mistake in the setting of our scoring software - sorry about that.

Regarding the U-flag, please see NoR/SI 9.3, which says that RRS 30.3 (U-flag) always applies, unless Black Flag is displayed. Besides that, it is correct that RRS 30.3 is the standard for the last years to run races with fleets of this size.
