Scoring Inquiry:

I went to go sign in this morning slightly later than most people as right as I launched I realized I hadn't. I went to the table to check out and did not see the ILCA 6 sheet but did see the ILCA 4 and 7 sheets. I did not have time to look for someone who might've had it or where it might've been as I needed to get on the water. If nobody took it, it's quite possible it had managed to slip under one of the other sign in sheets but this is not my fault as I made the effort to sign out and it wasn't possible under those certain conditions. I ask that the 10% be removed as the fact that the sheet wasn't there doesn't make me liable for not being able to sign out.

Response:

Corrected Score: no change

Sorry, any penalty changes need to go through a request for redress.
