### Scoring Inquiry:

I request please a review of my Race 3 score. I have been recorded as UFD. I do not recall the U flag being displayed as the preparatory signal for my class, the ILCA 6. If the UFD score is correct, could you please confirm the race committee's record of the starting sequence and identification of my boat. I also note that I finished ahead of ILCA 215356 in Race 3, so I would appreciate confirmation that my result has been recorded correctly. Thank you.
