Request No.: 02

Course:

Race No.: 1 / 2 / 3

Posted Score:

Competitor: 1 - Spinnaker - IRL4344 - Elixir - Ryan Wilson

Scoring Inquiry:

It appears all of our elapsed times are 5 minutes shorter than they should be, possibly due to an incorrect start time input in software.

Response:

Thank you for letting us know. It was exactly as you had said - Sailwave had not automatically corrected start times after class change, which explains the times being 5 minutes shorter.

Times have been recalculated and amended results will be posted ASAP.
