Scoring Inquiry:

I have passed by the committee boat on both Tuesday and Wednesday to register and mentioned that my star had a problem the numbers and only showed 6 but that I registered with GNS as 6633 Star. Race 4 not up yet and I am not on race 5... Need to be scored as I have started and finished on both nights.

Response Title:

Pierre, I suggest you use some tape to complete the number on your sail to match your registration.
Will correct the scoring.
