Request No.: 58

Course:

Race No.: 16

Posted Score: DNF

Competitor: SB20 - Red Fleet Only - 3571 - Turbulence Too - Patrick Ryan

Scoring Inquiry:

We finished in 4th place but were scored DNF.

Gilded lady was behind us and Bád Kilcullen was ahead of us

Witnesses:

Gilded lady will confirm we finished ahead of them

Response:

Corrected Score: 3

On the water, the SB20's crossed the line as follows

1st 3809

2nd 3761

3rd 3807 (ocs or UFD)

4th 3571

SB20 3571 came in on Starboard tack, from the starboard side of the course. She squeezed in between Glen-67 and Freebird at the finish, scrapped along the side of the Glen, touching her repeatedly, possibly touching Freebird (unconfirmed), and then proceeded through the finish line. They did not do turns and return to finish.

I have video footage supporting this commentary.

3571 finished 3rd but RO has lodged a protest based on the above.
