Scoring Inquiry:

Hi,

Our posted score for yesterday's race is 6th but were actually the 1st B211 to finish. We crossed the line just after Honey Bee from the combined cruisers fleet.

I would very much appreciate if you could review your records and amend the results.

If you need anything further please let me know.

Thanks and regards,
Annette

Witnesses:

I can provide contact details for other B211 sailors if required to confirm.
