Scoring Inquiry

Course: Don't remember

Race No.: 16 August 6th

Posted Score: DNF

Competitor: Glen - G4 - Glenroan - Keith Malcolm

Scoring Inquiry:

Above (incorrect) scoring was drawn to my attention this evening 13th August. Glenroan G4 crossed the finishing line near the limit mark (I think in last place of Glen fleet) at precisely the moment when the Benetau crashed into the committee boat, which may have resulted in our finish being overlooked.

Please amend scoring.

Response:

Corrected Score: 4

G4 does appear on the start sheet, but not the finish sheet. On the basis of your submission, we've scored you in 4th place in the Glen fleet
