Scoring Inquiry:

I was 26th at the second windward mark, I don't believe I lost 6 places on the last downwind leg.

Witnesses:

196721-Paula Bestard went round the windward mark in front of me.

Response Title:

Update: Finish boat video confirms place as recorded (one place advanced at time of writing due to another boat retiring)

Finish sheet appears clear, but I'll ask finish RO to check backup sheets.
