I had to avoid 216115 on the line when he was on port and I was on starboard and he did turns on the finish line so I beat him yet he has still been scored higher than me in the race

Witnesses:

Response Title:

Scoring please note that 216115 crossed the line twice as shown on the results sheet. They returned to the course side and completed the penalty turns. then finished correctly. Please amend by using the second score for 216115
