### Scoring Inquiry:

I was finishing the 4th race in the middle of a clump of boats, right between Mikael and Bryce. Because of this, my sail number was not seen by the race committee and I got a score of 44 (DNC) where I should've gotten a score of 23. The boat in front of me, Mikael, had a sail number of 124552. The boat behind me, Bryce, had a sail number of 214644.

### Witnesses:

Mikael Bouchard-Green - 124552 Bryce Stanger - 214644

### Response Title:

Corrected Score: 23
