Scoring Inquiry:

Please can you check my result for Race 1. I believe I finished in the 30s. I finished some way ahead of both GBR 182439 and TCA 209697. My position in race 1 was definitely better than in the second race, with approximately 10 - 15 ILCA 4s behind me. The boat immediately in front of me at the finish of Race 1 was helmed by a boy (in a rusty brown coloured buoyancy aid), not a girl as the results currently suggest. When I saw the results I was shocked and queried it with a volunteer, who looked at the provisional log sheet shared with event volunteers. It shows that my sail number, 2783, appears 3 times so perhaps I was muddled with the radials? I was wearing a blue buoyancy, blue hat and black visor in case this helps with any video or photographic footage. Many thanks for your help, Jemima.
