Race No: 2

Posted Score: UFD (previously 2nd)

Protest Party: ILCA 7 - Apprentice Master - 203545 - Akos Rigo

Scoring Inquiry:

The results of the NSC Cup were posted on Sunday afternoon (21 Nov), and per those results I have scored 2nd in ILCA 7.

Today (on 22 Nov), I have realized that my score was changed from 2nd to UFD, in retrospect. [For information only: I checked the results again on my phone, but it still showed 2nd place for race 2, so there might be an IT issue, because when I checked again on a computer the updated results show up, which is UFD. I have screenshots as evidence. This is to help the organizers check and find the issue with the IT systems.]

At the start of race 2 for ILCA 7 and Radial I was involved in an incident with a port tack Laser Radial interfering with my start, me having to avoid her. I would like to review the starting video please, for this purpose, as my result was changed from 2nd to UFD 1 day after the race, and also as there was an incident with a breach of Rule 10 and a possible breach of Rule 2. I respectfully ask the Race Office to let me review the video for this purpose.
