**Scoring Inquiry:**

I believe I won race number 9 in the Emerald fleet. I have been scored as 2nd with a Polish boat sail number 2063 in 1st place. I lead the race from mark 1 all the way to the finish. There was a big gap between emerald and bronze due to postponement at the start and I couldn't see any other emerald fleet sailors in front of me. My coach followed me the whole way around. I won the race by a good minute.
