**Inquiry No:** 521

**Course:** Emerald Fleet

**Race No:** Race 9

**Posted Score:** 2

**Protest Party:** Optimist - Emerald - GBR6575 - Theo Smith

**Scoring Inquiry:**

I believe I won race number 9 in the Emerald fleet. I have been scored as 2nd with a Polish boat sail number 2063 in 1st place. I lead the race from mark 1 all the way to the finish. There was a big gap between emerald and bronze due to postponement at the start and I couldn't see any other emerald fleet sailors in front of me. My coach followed me the whole way around. I won the race by a good minute.

I already submitted a scoring enquiry which was denied. However, following this we spoke to parents of sailor POL2063. They believe results are completely wrong. They believe POL2063 came about 30th in bronze fleet in race 9. POL2063 has been sailing the final series with a red ribbon on sprit. I believe POL2063 started and raced with bronze fleet in race 9 and as above that I won the emerald fleet race 9.
