Scoring Inquiry:

***Request for Redress** - this took place at leeward gate during race 4. IRL 1373 was inside boat and had room at mark. USA 1317 came across and hit MON 731. There was a collision between USA 1317 and MON 731. Mast of USA 1317 broke and IRL had to take appropriate action to avoid collision. This resulted in IRL 1373 sailing past the mark on the wrong side and re rounding correctly once USA had drifted away safely. At time of incident IRL 1373 was placed 15th
