**Race No: 3**

**Posted Score: 26**

**Protest Party: ILCA 7 - Blue - CAN 215019 - Liam Bruce**

**Scoring Inquiry:**

I finished race 3 (first race today) towards the pin just after NED 211003 and LCA 214113. We were lined up as a group on starboard sailing towards the finish with me to leeward. LCA tacked away and finished at the boat, NED and myself continued towards the pin. NED finished just in front and to windward as myself at a similar time as LCA. I believe my sail was obstructed from view of the finish boat by these two boats but I finished 24th.

**Witnesses:**

LCA 214113

**Response Title:**

After review of the finish video, the race committee believes its current scoring of CAN 215019 is correct.
