Scoring Inquiry

Inquiry No: 03

Course: A

Race No: 3 and 5

Posted Score:

Protest Party: Farr 40 - 37 - Blade II - Mick Shlens

Scoring Inquiry:

Insanity accepted a 30% scoring penalty for race 5. This was incorrectly applied to race 3.

Insanity and Dark Star were given same finishing time for race 3 but Insanity given 2nd place and Dark Star 3rd. Insanity had just prior to finishing accepted fault for an incident with Blade and dropped their spinnaker to complete a 360. They did not actually complete the 360 and instead sailed to the finish line on port gybe. They began the 360 on stbd gybe. So Dark Star should be awarded 2nd place and Insanity third place in race 3.

IF the two boats were in fact exactly tied on crossing the line then the points should be split.

Witnesses:

Race Committee should have a record (video? audio? notes?) describing the finish of these boats in Race 3. Insanity? Dark Star?

Response Title:

Insanity beat Dark Star by about a foot. The finish time rounded to the same second.

The Jury has clarified that the scoring penalty was for race 5 the score is being changed accordingly.
