Scoring Inquiry:

This complaints concerns 2Q, 3Q, and 4Q. I was pointed DNC for these three races. I don't understand what was wrong. For each of these three races, I did the same as 1Q, that is making one complete lap. For the four races, I arrived and passed the gate more or less at the same moment as the fleet was finishing.

If I was not pointed at the downwind gate, there should be a pointing at the upwind gate that testifies my say.

I highlight the fact that I did not pass the finish line (except once, I don't remember which Q), in order to avoid disturbing the rest of the race. But I certify that I completed one lap at each of the four races, passing the gate.

Witnesses:

I was surprised when I discovered the ranking and did not think about pointing the boats around me. I went back from the finish line at the end of 4Q with Maxime Donazzon (FRA 2648) who could testify it. I was sailing most of the time close to Gert Steinhailer (AUT 3219) who may have seen me. And possibly May Proctor (HKG 2941).

Response:

You have been scored 72nd, 73rd and 69th.
