Scoring Inquiry:

Joris was in Position 29 at Mark 3 before the last Down Wind (multiple parents watched that) . The sailor Meta Ehrmann 11017 was near by.

Both sailors Joris and Meta are scored with a DNF which means that the diddnt met the Timing Limit of 10 Minutes.

Latest valid score in this Race is Position 70.

That means Joris must be 71... 76

That can not be true. From the Perspective of Joris his Position was around Position 30.

That also means that Anne Neuman 5641 had to be in front of Joris. Those Kids are all from the German sailing Team and the know each others.

Please double Check the scoring list.
