**Inquiry No:** 04

**Course:** Course A

**Race No:** 2

**Posted Score:** DNF

**Protest Party:** OpenSkiff - GR2 Blue Fleet - 11017 - Meta Ehrmann

**Scoring Inquiry:**

The given score DNF does not match the real result. Meta Ehrmann, GER 11017, finished the second race in the blue fleet between position 30 and 35. She was counted at position 30 by spectators with binoculars when rounding the last course mark before the final down wind leg. Joris Freese, 11084, was in front of her at position 29, he scored DNF, too. Please check by the race committee if you missed counting some boats when entering the finish line. There seems to be a gap.

**Witnesses:**

Joris Freese, 11084 Till Kubelke, father of Jonas Kubelke, 11104

**Response Title:**
