Scoring Inquiry:

Dir Sirs and Madams,

we would like to know the reason for getting an DNC in race no. 4 (1st race of today).

We were starting and finishing. Our finishing time was about 36 minutes.

Thank you very much in advance for letting us know about the issue.

Yours sincerely,
Joscha

Response Title:

We have no record of you finishing. Do you know the sail number of the boat in front of you and the boat behind?
