Inquiry No: 02

Course:

Race No: 1

Posted Score: 25, then DNF

Protest Party: ILCA6 - RED - 210106 - Lugh Annachild-Lovering

Scoring Inquiry:

When the scores were first posted I finished with 25 points meaning I was within the time limit. After the scores of the second race were posted I was scored DNF despite being within the time limit.

Response Title:

RC indicated that there was a TLE written on the score sheets at the bottom of page one that meant all competitors on par two were DNF. JW
