Scoring Inquiry:

Could you please reconsider the 10% Scoring penalty I recieved for being 10 minutes late to check back in off of the water. I fully intended to check in right away, but was held back by my coach and could not sign in on time. I was off the water 20 minutes before it closed and did not make it.

Witnesses:

Tara Shioya (mother)

Response Title:

This is a reasonable request and the organizing authority will not be applying the Check In Penalty. JW
