Scoring Inquiry:

My score was posted as a DNC but I am certain I rounded each mark and was not over the line at the start. I was ahead of a couple boats at the end of that race and am just wondering why I am was marked as DNC.

Witnesses:

I didn't have the chance to ask anyone if they could witness not knowing of the result until I was on land.

Response:

Corrected Score: 37th

Boat found on mark rounding sheets and given a finish based on the last mark rounding.
