**Scoring Inquiry:**

One of my fellow racers brought it to my attention that my finish time is incorrect from last night. Upon inspection I see that there has been a big mistake. We finished right after Odyssey, finish time 19:33:17. Our posted finish time was 19:53:57. I also believe that we finished right in front of déjà vu who is posted finish time was 19:34:06. Starlight and Zuzu we're both behind us. Zuzu finished at 19:40:18 and starlight at 19:39:39. I would like to request that you look at our finish time again. Thank for your consideration. Please advise what further steps I should take or if you need more information.

**Witnesses:**

Yehuda elmakias , my crew. I also have messages out to Gary Schaffel and Clive Svendsen to confirm where they saw us.

**Response Title:**

The finish cards were reviewed and we found that the time input was incorrect. It should have been 19:33:57. It has been corrected.
