**Request No.: 15**

**Course:**

**Race No.: F1 Silver W**

**Posted Score: DnC**

**Competitor: Kite - Formula - 30 - Virag Senasi**

**Scoring Inquiry:**

I was appr. 30 sec late from start, and started together with bib 18.

We did upwind relatively together she had some advantage at the topmark.

She had appr 100-200m advantage when a jury boat was passing by waving with blue-white flag and showing with hands the sign that noone can misunderstand: "cancelled".

I knew I was on a good place as everybody was swimming from the fleet.

I followed the order of the jury, and was verry disappointed when I realized that the race had a valid result where I culd get even 9-10 points

**Witnesses:**

Bib 18

**Response:**

Corrected Score: DNS

18, 30 and 79 started more than one minute after the starting signal and are scored DNS
