Scoring Inquiry:

When registering I changed my sail number from 216009 to 215842. I sailed all 3 races today, in the first one I think I finished 5th, in the second one I finished 2nd and in the third one I finished 3rd.

Response:

The correct procedure to make amendments to the equipment is to submit the equipment substitution form as per sailing instructions. Scoring inquiry can only be considered once your equipment is correct.
