### Scoring Inquiry:

During race 12, I was at the the last reaching and was foiling to the gate marks HKG 25 was about two three board lengths next to me , suddenly the race commitee boat came to me while raising the abandon signal flag so I stopped completely.But today the race commitee has stated that race 12 was valid.I believe that given the time I had during race 12 I could've finished the race before the end of the time limit,which is why I am submitting a request for redress.

### Witnesses:

HKG 25 FUNG YUKKIU

---

### Response:

HKG 35 did not finish Race 12
