### **Scoring Inquiry:**

After Race 9, I switched out my SGP33 sail to SGP47 as my SGP33 had torn and couldn't be used. I had informed the committee boat about this change and asked them to put my results under SGP33 instead of SGP47. SGP47 was not used by Claudia as she could not sail under the strong wind conditions. Thus, why i used SGP47 as a replacement for my torn SGP33. The results i got for Race 10,11,12 is 1st, 3rd and 3rd respectively.

### **Response Title:**

According to SI 14.2, you should report to NSC race office to submit your change of equipment form immediately when you back on shore. Hence, score will not be given for race 10-12
