Scoring Inquiry:

I was on the starboard side sailing (we just had start) and there was a finnish boy crying for help(hes number is FIN1106 and he is in the red fleet). I did go to help him and he was panicking and crying for help. I couldn't just leave him there, so i was by his side and we drifted off to a start era(because the panicking). Before that me and this boy started to wave our hands and whistling for someone to take over him. Nobody came and we couldn't find his coach, so we did go to my coach. I didn't have the time to go to race again, because the gold fleet was having a start.

Witnesses:

Witness is the same finnish boy(FIN1106)

Response:

Wrong form.
