Scoring Inquiry:

Maxi finished as -12th in this race, this is for sure as 3 people and himself counted the boats! Result 26 is very frustrating for a kid who gave his best.

Witnesses:

Quirin Grawe, Valentin Grawe. I send you a picture of the WhatsApp Message directly after the race, telling us, that Maxi is within top 15! Photos of the race I already sent yesterday

Response:

Scoring rechecked and it is according our finish lists.
