Scoring Inquiry:

Dear Sirs,

Corrected score is still wrong, I finished the first race two places after Francesco Quaiat, ITA9756. Yesterday I wrote that I finished at 23. place, because when first results were published, Francesco was at 21. position. Later the results were corrected to 11th position. Anyway, I was two position after him. Please consider my result again. Thank you, kind regards, Ajda Gulic Bandelj

Witnesses:

Francesco Quaiat, ITA9756
